WASTED TIME

A LOOK AT THE YEAR

1988-89

1988-89 has been a busy year for students as well as for the faculty. Two new faces in the faculty this were Mrs. Ray and Mr. Parrish. "Pack the Place" night proved to be successful, as over 800 people filled the gym for Homecoming '89 to see the Eagles defeat the Saybrook-Arrowsmith Comanches. Rick Zurak, sportscaster for WAND news, interviewed three of our varsity basketball players and Coach Parrish for coverage on the news. The varsity basket-

ball team had a prosperous season with a winning record, the first in ten years. The volleyball team also had a winning record and won the Consolation Championship in the Bomber Classic. Lifesavers' provided a Lock-In, attended by more than half of the high school students. Between studying and extra-curricular activities — it's hard to define "Wasted Time!"

Favorite song: "Pour Some Sugar On Me" By: Def Leppard

Favorite group: Guns N' Roses

Sports event of the year: Illinois mens' basketball team ranked # 1

National news event of the year: Presidential election
Bush vs. Dukakis

HOTEL CALIFORNIA

Okay, okay — so maybe it wasn't California, but the good times existed anyway. The seniors rode the Amtrack to Chicago where they went to the Museum of Science and Industry, a Cub's game, the Board of Trade, and many, many, many other places. With the help of their sponsors, their trip will always be a week to remember.

UNDERCLASSMEN

“One more year and we’re outta here” is the biggest line for the Juniors. With all the commotion of getting prom organized, Juniors often may feel “Out of control.” Now that they all have their license, they feel more independent but all dread the day they oversleep and have to walk into the office for a — Late Pass! They are making the best of their Junior year and pushing forward to their senior year.

The Sophomore class of 1988-89 contributed a great deal to our High School. If they weren't doing one thing, it was another! They sold Tom Watt products for the second year in a row, candy in the fall, and held bake sales, also. These guys are in for a luxury senior trip!

CLINTON SPORTS

Deland-Weldon High School Students had the opportunity to participate in the co-op sports program with Clinton. The sports offered were cross-country, football, girl's basketball, girl's track, and golf. Brandon Goble and Mark Episcopo joined the cross country team. Despite trecherous courses and hours of practice, they both had fun and were quite successful. Paul Wilke took part in the football program. Long hours of practice in the heat payed off in the games. Good job guys!

THOSE SHOES

CHEERLEADERS

The 1988-89 cheerleaders had a fun-filled and busy year. A cheerleading camp was held at the high school in which the cheerleaders worked hard along with their sponsor, Gina Leischner. Collecting prizes and making signs for the gym were among the various activities in which the cheerleaders helped prepare for Pack the Place night. With practices, games, and fund raisers, "Those Shoes" were always on the go.

Kim Goble cheers for a victory.

The photographer catches Shannon Seal by surprise.

HOMECOMING '89

Homecoming festivities got off to a great start with maroon and gray day, hat, tie, and sunglasses day, and slave day. Pack the Place Night was the Homecoming game against Saybrook-Arrowsmith Commanches, and this year's theme was "Believe in Love". The Master of Ceremonies was Mr. Parrish and the D.J. was Chad Stephens from WLRW. The dance was a success and fun was had by all.

TAKE IT EASY

Looking back over the previous year we see a lot of fond memories that we will probably cherish forever. Throughout the year we saw students move in and out, had our school's "debut" on the news, met new people through the co-op sports program, and all in all made the best of all situations. We hope this yearbook helps you recall all the good times. We wish to extend our thanks to Mrs. Atteberry and the entire yearbook staff. We enjoyed working with all of you.

Sincerely,

Kim and Gala
Co-editors

Until next year ...
